**SUBJECT: PROJECT PROPOSALS FROM TEXTILE SECTOR FOR POSSIBLE BUSINESS-TO-BUSINESS (B2B) COLLABORATION WITH CHINESE ENTERPRISES**

Board of Investment (BOI) is the lead agency on Industrial Cooperation (IC) under the China-Pakistan Economic Corridor (CPEC). Besides overseeing the Special Economic Zones (SEZs) and other initiatives under the ambit of Industrial Cooperation, BOI is also spearheading the facilitation and promotion of Business-to-Business (B2B) collaborations between Chinese and Pakistani private sector enterprises.

2. To foster the B2B Joint Ventures with a sectoral approach, BOI intends to collect information from the private business community on ready-to-launch projects in the textile sector requiring Chinese partners, which will then be shared with the China Council for International Investment Promotion (CCIIP), for attracting suitable investors.

3. Foregoing in view, textile associations are requested to disseminate the information amongst their members and share the consolidated data of the project proposals (including the detailed business plans) with this office, latest by **Monday, 5<sup>th</sup> April 2021**, for onward transmission to CCIIP.

4. An early response through email ([adeelhassan@pmu.invest.gov.pk](mailto:adeelhassan@pmu.invest.gov.pk)) or fax (**051-9218625**) will be highly appreciated.
