

IRCA (UK) Accredited Lead Auditor Course on OH & S Management System OHSAS 18001:2007

Pakistan Hoisery Manufacturer Association (PHMA) in collaboration with SMEDA and Bureau Veritas is organizing IRCA LAC OHSAS 18001:2007.

DESCRIPTION:

Capitalizing on the powerful Accelerated Learning Technique, this course spends a good portion of the time on discussions, exercises and case studies to help delegates to consolidate knowledge and acquire hands on experience that are instrumental in their capacity as an occupational health and safety management system auditor or as an OHSMS professional. Based on IRCA policy, this course satisfies the training requirement for certification as an IRCA Registered OHSMS Lead Auditor/Auditor.

Learning Objectives:

By end of course, delegates are expected to have knowledge in following areas.:

- The purpose, content and interrelationship of OHSAS 18001:2007

- The purpose of a OHSAS management System
- The role of an auditor to plan, conduct, report and follow up a OH&S management system audit in accordance with ISO 19011:2011;

- How to plan, conduct, report and follow up on a OHSAS audit in accordance with ISO 19011:2011 and by interpreting OHSAS 18001:2007 to various industry sectors.

Target Audience:

Anyone who is directly or indirectly linked with the development, documentation, implementation, maintenance, and auditing of an OHSMS. This course is equally beneficial for all types of current and future OH&S auditors who want to acquire an internationally recognized auditing qualification.

Contents:

- General introduction, certification and accreditation
- Introduction to health & safety hazards and risk
- The legislative framework
- Introduction to OHSAS 18000 series and OHSAS 18001:2007
- Audit planning
- Document review
- Process auditing
- Audit skills
- Writing NC reports
- Audit reporting & follow up

Trainer:

Trainer is an internationally qualified and experienced OH&S management professional with significant experience in every aspect of OH&S management systems. He is one of very few Pakistanis registered with IRCA and PECB as Lead Auditor for OHSMS, EMS & QMS and has conducted OH&S audits and trainings for clients based in USA, Australia, Europe, Middle East and Pakistan. He has previously worked on similar assignments for organizations like USAID, ILO, BFZ, GlZ, BHP, Chevron, GSK, Novartis, Nestle, ICI, FFC, Fatima Group, KE, Eni, PPL, PSO, Pepsi, Engro, NUST, Telenor and Warid.
