PHMA House 37-H, Block 6, PECHS,  
Karachi

**Subject: The 75<sup>th</sup> Plenary Meeting of International Cotton Advisory Committee (ICAC), Scheduled to be held from 30<sup>th</sup> October to 04<sup>th</sup> November 2016, in Islamabad, Pakistan.**

Dear Sir,

The International Cotton Advisory Committee (ICAC) is an association of Governments of cotton producing, consuming and trading countries, established in 1939, with its head quarter in Washington DC. At present 43 countries including Pakistan are members of the ICAC. Its mission is to assist governments in fostering a healthy world cotton economy.

2. The objective of these Plenary meeting is to improve cotton industry performance worldwide and to develop a consensus amongst government officials on policies and program for the benefit of the cotton sector.

3 The hosting of ICAC plenary session will be benefited for Pakistan as it will provide a venue of showcase our technological leadership in cotton research and enable us to pursue the cotton community for scientific and research collaboration with other stake holders around the world. Additionally, hosting such an important International meeting where from more than 40 countries are expected is an opportunity in itself. It is an event of interest for not only the government sector but also for the private sector.

4 Mintex is publishing a book with the title "Textile of Pakistan" this will contain profiles of all organizations registered with your associations. Additionally, hosting such an important International meeting where from more than 40 countries are expected is an opportunity in itself. It is an event of interest for not only the government sector but also for the private sector.

4 Mintex is presenting a catalogue to the participants of the ICAC plenary meeting who belong to 45 different countries of the world. The purpose of this catalogue is to project and publicize the products of cotton and cotton mix produced in Pakistan to the world. This is a golden opportunity to introduce different textile products of the organizations registered with your association. This catalogue will contain original cloth/wool/yarn/cotton sample. Association is requested to send 400 samples of every item their respective members produce in accordance with the specification enclosed.

5 You are kindly requested to ensure that the enclosure is sent to all your registered members. Encourage maximum participation for effectively utilizing this marketing opportunity.

6 Mintex is not charging anything for this activity. This is solely for the purpose of projection of Pakistan based textile to International community.

Yours Sincerely,

  
(Rubina Wasti)
