

## SSGC to enforce scheduled gas supply cut for industry

News Desk

KARACHI: Sui Southern Gas Company (SSGC) will strictly observe the weekly closure schedule for the industrial and captive power plants, the company said in a statement on Friday.

Closure of gas supply on coming Sunday will help maintain the smooth and uninterrupted gas supply to the industry during the whole next week, the statement said.

All the industrial and captive power customers are required to discontinue gas usage completely on Sunday 08 January from 7:00 am till Monday 09 January 2012 up to 7:00 am, as per the schedule already agreed between the stakeholders, it said. SSGC's surveillance teams will disconnect gas supply for next 48 hours of any customer found violating the agreed schedule.

## Industrial gas outage for 24 hours

KARACHI, Jan 6: The Sui Southern Gas Company (SSGC) has announced the schedule for closure of gas supply to industries for 24 hours starting from 8am on Sunday to 7am on Monday.

All industrial and captive power plants customers are required to discontinue gas usage completely during the above-mentioned time, as per schedule already agreed between the stakeholders, according to the SSGC announcement. The SSGC surveillance teams will monitor the compliance with the schedule, it said.

The teams are said to be fully authorised to disconnect gas supply for next 48 hours of any customer found violating the agreed schedule.
