Subject: Joint Venture with Thai Baby Garment Manufacturers

The inaugural session of Pakistan-Thailand Joint Trade Committee is going to be held in next month. Ministry of Textile Industry is considering to table following proposals for the JTC.

- Possibilities of opening representative offices of Pakistani Textile companies in Thailand for exports to Thailand and Export marketing to other countries
- Joint ventures particularly for Children Apparel, and brassieres manufacturing and prospects of investment in Pakistan

2. Expression of interests are solicited from the Pakistani value added industry for attracting joint ventures from major Thailand Babies Garment and brassieres manufacturers for bringing in investment in Pakistan and opening of representative offices in Thailand.

3. You are requested to respond by 1st February, 2013.
