Subject: **Non Appearance of Clearing Agent For Container Examination**

1. It has been noted that clearing agents report late at ports for ANF inspection and at times, very close to cut off time of container. Resultantly, the container is shut out and exporters are being wrongly informed by the agent that shut out happened due to ANF. Later on, exporters forward their complains to ANF for damage and compensation.
2. It is directed that all clearing agents be asked to report in time for containers inspection. Correspondence / orders (in writing) passed to clearing agents should also be shared with ANF.
3. Forwarded for strict compliance, please.

Lieutenant Colonel
Joint Director
(Ashaar Rizwan)
