No3 (18) TID/10-TR-I

Islamabad, the 13th August, 2018

All Textile Associations
In Pakistan

Subject:- **TECHNOLOGY UP-GRADATION SUPPORT FUND SCHEME 2009-2014**

I am directed to refer to the subject cited above and to say that the Technology Up-gradation Support Fund scheme 2009-2014 was launched by the Government under textile policy 2009-14 for providing assistance to the textile units registered with the Textile Division for up-grading their textile machinery and technology. The support was covered only the technology and machinery mentioned in this Division's notification dated 5.4.2010 and imported during the period from September, 2009 to June, 2014.

2. It has been observed that the textile units are still submitting claims to conduct audit for issuance certificate of commencement and commercial operations under the above scheme despite the facts that the Government has introduced another TUF scheme 2016 under the new Textile Policy 2014-19.
3. In order to work out the funds required to clear the claims under the scheme 2009-14, it has been decided by the competent authority that the eligible textile units may submit their applications upto 15th October, 2018 so that this Division may take up the case with the Ministry of Finance for release of funds.
4. It is, therefore, requested to ask all members of Associations to submit their online applications and get audit for issuance certificate of commencement and commercial operations by 15.10.2018 positively as no application after the due date will be entertained.
5. This issues with the approval of Secretary, Textile Division.

Azizullah Khan
Section officer (TR-II)
